Dear Sir/Madam,

**LICENCE TO DISTRIBUTE IN TERMS OF SECTION 22C(1)(b) OF THE MEDICINES AND RELATED SUBSTANCES ACT, 1965**

Licence Number      00005667MD

Your licence to distribute in terms of section 22C (1)(b) of the Medicines and Related Substances Act has been approved and is attached herewith. This document replaces any licence document, for a medical device establishment, previously issued to you.

This licence authorises distribution by the licence holder; if the business should change hands, the company or person taking over the business will have to obtain a new licence before commencing the distribution of medical devices.

This licence is subject to the limitations specified in the licence and to the statutory provisions contained in the Regulations to the Act.

Activities may only be carried out in accordance with the terms of the relevant product licence, unless a specified exemption applies, which allows it to take place other than in accordance with the licence.

This licence relates to the distribution of medical devices on the premises and under the supervision of the persons specified. If any change of premises or of those persons takes place, prior approval must be sought from the South African Health Products Regulatory Authority. Any proposal to make structural alterations to the premises must also be notified to the South African Health Products Regulatory Authority.

Kindly note that the **Annual retention fee** come into effect the year after the said licence was approved by the Authority in terms of Section 22C(1)(b) on or before the last working day of June that year.

The South African Health Products Regulatory Authority has the power to revoke, suspend or amend licences in terms of Section 22E of Act 101 of 1965.

Yours faithfully,

Gaopalelwe Kelatwang
